Learnlings

Ages 5 to 8 (K to 3rd grade)

Screen time that counts.

Apart from the starter companion, creature cards are won only by learning.

Kids learn

Math, reading, science and more in short quests at their grade level.

Parents decide

You approve the account and see the skills your child practiced.

Kept safe

No ads. No chat. No strangers. Short quests, and parents set a daily play time.

FREE TO PLAY

Join the family list.

Families try it first and tell us what to build.
